Tinytag Aquatic 2 User and Warranty Information

Tinytag Aquatic 2 User and Warranty Information

⚠ WARNING

- If this device is installed or used in a manner not specified by the manufacturer then the protection provided by it may be impaired.
- This device contains a lithium battery. Danger of explosion if the battery is incorrectly fitted. Do not cut open, incinerate, recharge or expose to temperatures in excess of 85°C (185°F).
- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause any harmful interference, and (2) this device must accept any interference received, including interferences that may cause undesired operation.

GENERAL

- Gemini Data Loggers (UK) Ltd. operates a Quality Management System which conforms to BS EN ISO 9001:2000. The scope of the system covers the manufacture, design and supply of data loggers and their associated software, accessories and services.
- This device should be used within the temperature range and other environmental conditions specified on its data sheet.
- Data sheets and product manuals can be downloaded from www.tinytag.info or obtained from your supplier.

SERVICING

- **This unit should only be opened when a battery replacement is required.**
- Please refer to the service kit instruction sheet for battery replacement instructions (please see www.tinytag.info/support for further information).
- **The gasket fitted in this unit must be replaced every time it is opened.**

DISPOSAL

- Data loggers, accessories and batteries should be disposed of at organised facilities, where available, in line with local regulations.
- In accordance with the WEEE directive Gemini Data Loggers (UK) Ltd. will take back and dispose of any equipment purchased directly. Equipment not purchased directly should be returned to the point of sale for disposal.

WARRANTY

- This product carries a manufacturing defects warranty of 12 months from the date of purchase. Units returned under warranty will be repaired or replaced at the manufacturer's discretion. This warranty does not cover mishandling, modification or battery replacement and is subject to the standard Terms and Conditions of Sale, a copy of which is available on request.
- **The equipment/goods are sold "as is" and with "all faults" (applies in USA). Claims under warranty should be referred to the point of sale.**
